35TH
 YEAR ANNIVERSARY

“ Just a short note to let you know how much my daughter enjoyed the Summer Rock Camp this past two weeks. It exceeded all her expectations, and in her words... 'the best two weeks I've ever had!'

I was impressed by the quality of the camp overall and by the exceptional teachers and staff. She learned a great deal about music styles, team work, and has a new respect for all types of music and how difficult it is to sing with a live band! She has counted how many years she'll be able to attend before she is too old ...4 more years!

She hopes to get together with some of her (many) new friends from camp to jam a bit over the winter as she counts down the months till next year! My 11 year old son loved the concert, and is now begging me for Bass Guitar lessons...! 'll be in touch with the Lesson Centre! ”

July 31 - Final Concert

This is a 4 week workshop in which you learn all that is required to produce a full stage rock concert. Under the direction of a sought-after professional sound tech from the Metro area, you will have hands-on experience in all aspects of producing quality sound and lighting, including setting up the stage for each of the daily concerts, the PA's in the classrooms for our rockers, and producing the final concerts of the Junior and Senior camps.

10am to 3pm Monday through Friday plus the Junior and Senior Concerts. 9am early drop off option. Help with setup during the first week of July (date to be determined) and take down August 1st will be highly appreciated.

FEES

This year's fees include a video of the concert(s).
