

AMPLIFi \$50 Educational Mail-in Rebate

AMPLIFi is more than an amp. It's a revolutionary musical experience that brings the world of wireless control, cloud sharing, tone creation and tone matching to an amazing level of simplicity and fun.

AMPLIFi is by far the easiest way to learn and improve your guitar playing and tone refining skills. Not only will AMPLIFi inspire you to play more, it will open you up to the world of tone like never before.

AMPLIFi 75 is perhaps the best teaching, learning and jamming amp ever invented. Its size is perfect for placing on a desk, on a shelf and on the floor. It can be your Bluetooth speaker, your amp, or your wireless playground for tone exploration.

At Line 6, we want to support guitar players of all skill levels, musicians, students and teachers. We are happy to offer a \$50 Educational Mail-In Rebate to all qualified customers.

If you are a full-time student, teacher, taking guitar lessons, or teaching guitar you qualify for this rebate!

Please see terms and conditions for submitting the required proof of qualifications.

James Tyler Variax

Your Guitar Can't Do This \$150 Rebate

JTV Variax HD - Designed by James Tyler, so it's a really great guitar!

The Variax is loaded with our latest HD models created using specially hand-picked specimens of the classic instruments we all dream of owning. It's like owning the ultimate guitar collection that includes electric, acoustic, twelve-string, ethnic strings, folk & baritone guitars all built into one instrument. You can be a virtual luthier by tweaking, modding, and creating guitars with the Free Workbench Software. You can even layer your modeled sounds with the magnetic pick-ups. It's an inspirational playground of tonal possibility.

The alternate, drop, and open tunings included (or ones that you create) will let you slay your writing, live gigs, and recordings with ease.

Now, for a limited time, you can get \$150 cash-back on any JTV model
