INTRODUCING THE YORKVILLE SOUND PODCAST

MONTHLY DISCUSSIONS ABOUT MUSIC, GEAR & SOUND

Powered by gear from the Yorkville Sound catalogue:

Aston Stealth | CODE: 704031 | $449⁰⁰
The Aston Stealth is a revolutionary, broadcast quality microphone for studio and stage. Includes 4 switchable voices delivering unparalleled performance in almost any situation.

ART TubeMix | CODE: 506282 | $279⁰⁰
The ART TubeMix is a compact versatile USB audio interface designed to connect your mics to your computer. The mixer supports two mic inputs, one high impedance instrument input, and two line inputs simultaneously. Perfect for podcasts, home recordings and small live gigs.

ART HeadAmp4 | CODE: 260296 | $89⁹⁹
Ideal for any podcast set up or home studio, the HeadAmp4 adds additional headphone outputs to any mixer, computer audio interface, workstation, or laptop. The best solution for you and your guests to hear the action at the same time.

Apex HP35 Closed Back Folding Headphones | CODE: 304547 | $49⁹⁹
Perfect for listening to your favourite tracks. Closed back for maximum isolation, the lightweight design ensures maximum comfort during long hours of listening. The compact folding design economizes space while protecting the diaphragms during transport.
